

EMS SIMULATION SYMPOSIUM

October 9, 2026 | 8:00 AM to 4:30 PM

Join us for the annual EMS Simulation Symposium, a dynamic, hands-on training experience designed to sharpen clinical skills and decision-making through realistic, high-fidelity simulations.

What to Expect:

- Interactive sessions led by experts specializing in OB/GYN, Trauma, Burn Management, Pediatric Transport, and Emergency Medicine
- Engaging trauma case reviews and discussion
- Real-world simulation scenarios and task training to elevate your prehospital care
