

HENRY FORD HEALTH®

Inaugural Trauma Symposium

Systems & Communities: Bridging the Divide

Hosted by the Henry Ford Health
Trauma Recovery Center

Date & Time:

Friday, October 16,
7:30 a.m. - 4:30 p.m.

Location:

Henry Ford Hospital,
Detroit, MI

The inaugural Trauma Symposium, hosted by the Henry Ford Health Trauma Recovery Center, brings together practitioners working with trauma survivors for a day of learning and networking. 55-90% of adults in the US have experienced at least one traumatic experience in their life. Working with trauma survivors requires a unique approach from practitioners to ensure the best care and outcomes possible. One such approach is meeting the survivor where they are. This symposium will highlight innovative ways of caring for trauma survivors by breaking down siloes of care and bridging the divide between systems and communities.

AMA PRA Category 1 Credits™ (6.75 hours), ABIM MOC Part 2 (6.75 hours), ABS CC (6.75 hours), AMA PRA Non-Physician Attendance (6.75 hours), General Attendance (6.75 hours)

Objectives

At the conclusion of this activity, learners will be able to:

- Understand the potential impact of trauma on an individual
- Identify potential signs and symptoms of trauma in themselves and others and identify pathways for recovery
- Understand what ACEs are and implications of ACEs when working with families of color
- Identify innovative programs aimed at bringing care to survivors in the Metro Detroit area
- Identify alternative forms of trauma recovery

ACCREDITATION STATEMENT: Henry Ford Health is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. **DESIGNATION STATEMENT:** Henry Ford Health designates this live course for a maximum of 6.75 AMA PRA Category 1 Credit(s)™. Physicians should only claim the credit commensurate with the extent of their participation in the activity. **ABIM MOC PART 2:** Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 6.75 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit. **ABS CC:** Successful completion of this CME activity enables the learner to earn credit toward the CME requirement(s) of the American Board of Surgery's (ABS) Continuous Certification (CC) program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABS credit. **ACCESSIBILITY STATEMENT:** The Henry Ford Health Office of Continuing Medical Education is committed to ensuring that its programs, services, goods, and facilities are accessible to individuals with disabilities as specified under Section 504 of the Rehabilitation Act and the ADA Amendments Act of 2008. If you have needs that require special accommodations, please contact Alyssa Smith (asmith96@hfhs.org).

Course Directors

Ali Lakhani, PTA, B.S.Ed.
Course Director

William Hakeos, M.D.
Co-Director
